

Athlete & Parent/Guardian Contract

Parkland Immanuel Christian School offers an athletic program that seeks to create an environment where athletes are inspired and challenged to use their God given talents. Participation in this extra-curricular athletics program is a privilege. Students wishing to take advantage of the opportunities presented them by Parkland Immanuel Christian School must show a commitment to the athletic program by regular attendance at practices and contests, as well as conformity to the rules of the school and the coach. Failure to comply with school rules, and/or this contract will result in disciplinary action and/or dismissal from the team.

Academics

It is recognized that the primary function of the school is to provide each student with an education. Therefore, the principal reserves the right to remove a student from a team if that student is not performing academically as expected. This will only occur after consultation with the student, Athletic Director, coach, teachers, and parents. Signing this form also means that you understand fully the homework room policy as outlined in the Parent Handbook.

Conduct

Student/Athlete conduct is a reflection on our school. All athletes will strive to ensure their words and actions glorify God and model Christ's love and purpose in their conduct on and off the court or field.

- In the academic area, an athlete must strive to become a successful student who is productive and responsible in the class. As an athlete, you must plan your schedule so that you give sufficient time and energy to your studies to ensure acceptable grades. In addition to maintaining good scholarship, an athlete should have a good attendance record, never cutting class or school.
- In athletic competition, an athlete is always courteous, makes no excuses, and is respectful to teammates, opponents, officials, coaches and spectators.
- The athlete will be held to the student code of conduct (from school handbook) when representing the school, even if the event is outside of school hours.
- It is the responsibility of the Head Coach to decide what role each athlete will play, and the amount of playing time that the student will have. If athletes or parents have a question regarding this, they will be addressed directly to the Head Coach in a mutually acceptable timeframe and in an appropriate, professional manner. If this does not lead to a resolution, the parent can contact the Athletic Director to discuss the matter further.

Attendance

- If a student is required to miss classes to attend a competition, it is his/her responsibility to contact the teachers of the classes being missed in advance.
- If an athlete is absent from school s/he may not participate in any practice, or game on that day.
- If an athlete can not make it to a game or practice, it is their responsibility to contact the Head Coach well in advance of the practice or game.

Equipment

All team uniforms will be supplied by the school. The uniform must be submitted promptly after the season ends, cleaned and in good condition.

Volunteering

All student-athletes at PICS are required to participate in at least one fund-raising activity which will take up one day of their time, and all Senior High team members are expected to help with officiating Junior High athletic events from time to time.

Assumption of Risk

Injury, including paralysis or death, is a risk that must be assumed when engaging in sports; accordingly, it is acknowledged that the athlete assumes the risk of such injury or death and in consideration of the school permitting participation in extra-curricular athletics, the student-athlete and his/her parents/guardian agree not to hold Parkland Immanuel Christian School liable for any such injury, including death.
